ESSEX RECLAMATION LTD

BP142/BP143 - Produce dense bales from a small footprint. These machines are ideal for dealing with waste at source.

Zugil BP142

Twin Chambered Vertical Baler

Description	BP 142
Overall dimensions LxWxH, mm	2260x1240x2340
Number of chambers	2 large
Size of chambers LxW, mm	1000x700
Bale size LxWxH, mm	1000x700x600/800
Weight, kg	1420
Bale weight, kg	150-300
Press force, kN	200
Electrical supply	3 phase 400V

Zugil BP143

Triple Chambered Vertical Baler

Description	BP 143
Overall dimensions LxWxH, mm	2360x1240x2340
Number of chambers	1 large, 2 small
Size of chambers LxW, mm	1000x700 / 500x700
Bale size LxWxH, mm	1000x700x600/800 500x700x600/800
Weight, kg	1500
Bale weight, kg	150-300 / 60-150
Press force, kN	200 / 100
Electrical supply	3 phase 400V
